And in ten minutes you can be eating oysters at the seafront looking at where they are raised and drink the local Picpoul de Pinet wine from the vines just behind you.

If you just want to enjoy the French life...

...we know a lot about the local French wine and food. You can taste wine in our own cave, have advice about vineyards to visit. We have taken diplomas in oenology and viticulture. We can even arrange short courses in wine and cookery if you wish but advice and discussion is always freely available!

We have fun practising our English – and we also like to help our visitors use their French if they wish.

If you want to travel mid-week or stay a an odd number of days...

... we appreciate it is often a lot more convenient and cheaper to travel mid-week, or that people often want to stay 5, or 10 days at a time rather than the usual week. Talk to us and we will do our best to fit you in with the start date of your choice.

If you want a special event or course for a group.....

... our flexible accommodation can take corporate groups or large parties of friends If you want to come meetings to use one of our large public rooms, or if you would like us to provide courses in wine, food or decorative arts. Please talk to us about what you would like.

If you are searching for a house to buy in the area....

...we can talk to you about the region and put you in touch with people who will help. Our bed and breakfast arrangements are ideal for you.

Our special family is open house....

... if I am cooking children (and parents) can come into my kitchen and help make cakes and desserts. Having travelled the world five times we are pleased to share a chat about any topic you wish – we still learn so much. We understand children-having two of them – one of them is quite handicapped, so we appreciate what special arrangements are sometimes needed for families so they can have a really good holiday.
